## 30-30 STEM programme

**Dear teachers**

The Central Board of Secondary Education (CBSE) is providing an online platform for teachers to make STEM learning more engaging. This will be launched by the Board on August 16, 2020. The programme named 30-30 STEM, which is in collaboration with IIT Gandhinagar, will be available every Sunday from 4 pm to 5 pm. This will be an online programme focusing on basic conceptual understanding and critical thinking of Mathematics & Science. There will be 30 one hour live sessions on YouTube.

"Programme shall be delivered by the Faculty members of IIT, Gandhinagar and IISER Pune. CBSE would be issuing the certificate to all registered teachers on submission of the programme fee of INR 100. Sessions would be available at <https://www.youtube.com/iitgncli> for later viewing. Live viewing is being encouraged by the board so that teachers get to be a part of an interactive question answer. In the programme, all weekly homework would be done individually through the registered email-id of the teachers. An internship at IITGN/IISER Pune will also be arranged for some successful teachers.
